

Start your journey
to publication
success now!

Offering support before you submit to a journal, **AIP Author Services** are designed to help you present your research in the best way possible for reviewers. Whether you are struggling with writing, figure creation or a language barrier, **AIP Author Services are here to help!**

What services are offered?

Language Editing: Conducted by subject matter experts focused on sentence structure, word choice and grammar allowing editors and reviewers to fully understand your research

Translation: Accurately translate articles from Chinese, Japanese, Spanish, Portuguese, French or Russian to English

Figure Creation: Make your research come to life in the form of figures, illustrations and other professionally created images.

Figure Formatting: Modify or recreate figures to best support your article. Services offered include: color, layout, and size adjustment to meet publication requirements
